

## **Long form**

### AUSTRALIAN PRIVACY PRINCIPLE 5 NOTIFICATION – RELEASE FROM QUARANTINE

The Australian Government Department of Agriculture is collecting this personal information about you to facilitate your release from quarantine. The Department of Health can be contacted by telephone on (02) 6289 1555 or freecall 1800 020 103 or by using the online enquiries form at ([www.health.gov.au](http://www.health.gov.au)). The Department of Agriculture can be contacted by telephone on (02) 6272 3933 or by using the online enquiries form at ([www.daff.gov.au](http://www.daff.gov.au)).

The collection of your personal information is authorised under regulation 41 of the *Quarantine Regulations 2000*.

If you do not provide this information you may not be released from quarantine.

Some or all of this information may be disclosed to:

- The Director of Human Quarantine;
- The Australian Government Departments of Health, Agriculture and Immigration and Border Protection; and
- Australian state and/or territory health officials as authorised under the National Health Security Act 2007.

The Department of Agriculture has an APP privacy policy at (<http://www.daff.gov.au/about/privacy>) and the Department of Health has an APP privacy policy which you can read at (<http://www.health.gov.au/internet/main/publishing.nsf/content/privacy-policy>).

You can obtain a copy of the APP privacy policies of each Department by using the contact details set out above. The APP privacy policies contain information about:

- how you may access the personal information each Department holds about you and how you can seek correction of it; and
- how you may complain about a breach of the Australian Privacy Principles.

If you are an overseas traveller to Australia your personal information is likely to be disclosed to the Government of your country to enable them to provide you with any relevant assistance, such as medical assistance on your return home. It is not practical to specify the countries we may disclose your personal information to as it will depend on your nationality.
