Subject : Updated contact details for FoPL Secretariat [SEC=UNCLASSIFIED]

Dear Front-of-Pack Labelling (FoPL) Stakeholders,

I am writing to provide you with updated information about arrangements for the FoPL Secretariat, following a restructure within the Department of Health.

I will retain oversight for the Healthy Living and Food Policy Branch, which will continue to manage the Food and Health Dialogue, administer physical activity and obesity initiatives, oversee food policy matters, and provide secretariat support to the Legislative and Governance Forum on Food Regulation.

The FoPL Secretariat is now a separate unit that is headed up by Nathan Smyth, First Assistant Secretary, Population Health Division. [REDACTED] will remain as Director of the FoPL Secretariat, and report directly to Nathan. Please direct any queries regarding FoPL and the Health Star Rating System to [REDACTED] (telephone [REDACTED]) or email to [REDACTED] or Nathan (telephone [REDACTED]) or email to [REDACTED]. The FoPL email address (frontofpack@health.gov.au) will also remain active.

I would like to thank everybody for their support and contributions over the past 2 years. I look forward to continuing to work with you on all other food matters and know you will continue to work with and support [REDACTED] and Nathan on the FoPL initiative.

Regards,  
Kathy Dennis
