## ANTHRAX VACCINATION PROGRAMME

Dear Sir;

Headquarters Australian Defence Force is presently arranging to import 100 ampoules of anthrax vaccine for the vaccination of members of the Australian Defence Force who will be deployed overseas.

I understand that this product is not licenced for marketing in Australia and will therefore be subject to special provisions for individual patient use. I therefore nominate the following Defence Force medical officer as the responsible officer for conducting an vaccination programme in accordance with TGA requirements:

[Redacted name and contact information]

[Redacted signature]

Yours sincerely,

[Redacted name and title]

Air Vice Marshal  
Surgeon General
