We are all human Robert. No harm done whatsoever.

Unfortunately I think the new Pubcris is not as good at capturing typo's as the old.

It has caught me out too.

Have a good day.

Michelle

Yes I was an idiot an couldn't spell. Sorry I tried to recall the message about 5 mins after sending it but our system wouldn't let me.

Yes I was referring to Fenthion.

Thanks for looking into this for me I will try not to be such an idiot in the future.

Cheers
Robert

Dear contact officers,

I'm not sure who to contact regarding this. It seems in the move to the new version of PUBCRIS Fenthion products and active constituent registrations have not made the transition. If this could be rectified that would be fantastic.

Regards
Robert
