Subject: progress of review projects. [DLM=For-Official-Use-Only]

---

Hi Kareena

just a short note to follow up on the discussion on Monday about review priorities:

1. Fenthion - a draft report was provided to APVMA on 17 Dec. Minor edits/typos were received 19 Dec and these are being addressed now.

[REDACTED]

[REDACTED]

I am away from today returning 7 January but Megan is around during this time.

have a Merry Xmas and Happy new year

cheers  
Neil
