

# Active Ingredient Prescribing Request for Consideration Intake Form

16 December 2022

Please email the completed form to [aiprescribing@health.gov.au](mailto:aiprescribing@health.gov.au)

Request form completed by:			
Contact email:		Contact phone:	

<b>Primary Medicine:</b>	Please provide as many details as possible regarding the medicine you are making a submission about. Please note, at a minimum, the active ingredient/s, form and strength are required for the submission to be processed.  Please use International Nonproprietary Names (INNs) for active ingredients where possible			
<b>Active ingredient/s</b>				
<b>Form</b>				
<b>Strength</b>				
<b>Pack size</b>				
<b>Brand/s</b> Please provide as many details as possible for all impacted brands	(You may include more than one brand provided each contain the same active ingredient, form and strength. Related medicines that do not meet this criteria can be listed as 'Secondary Medicines')			
	<b>Brand</b>	<b>Sponsor</b>	<b>ARTG Number</b>	<b>PBS Item Code/s</b>

Please provide details of other medicines that may be impacted by the same issue being raised in this submission in the 'Secondary Medicines' list provided overleaf (e.g. this may include alternate strengths or forms of the Primary Medicine).

## Information for the List of Excluded Medicinal Items (LEMI)

<p>Does this medicine meet the criteria outlined in the <i>Active Ingredient Prescribing User Guide</i> for inclusion in the LEMI?</p>	
<p>If yes, which principle/s does it meet?</p>	
<p>Do any of the 'secondary medicines' listed also meet these criteria?</p>	
<p>If yes, which ones? (please use the number they have been assigned below, i.e. Secondary Medicine 1, 2 and 4)</p>	
<p>Please provide any additional evidence or relevant information to support these answers:</p> <p>For examples of relevant evidence please see the AIP User Guide</p>
