Hi Ian

The below looks fine. The only issue is the link to the MoU and I wanted to check if you have put it on your website today in which case we can use that link. We are intending to put it on the Department's website but it may take a few days as our webmasters prioritise Covid related updates first.

If you could send through the link, we can start the ball rolling with the communication.

Elizabeth

Hi Elizabeth

Just checking that you're OK with the webinar and also for communication to be sent to sponsors?

I have inserted below the link for registration for the webinar

Subject: Webinar for sponsors on MOU

Hi Elizabeth

Further to my phone call regarding a webinar on the MOU, I would suggest :

- Wednesday 23 March, 4pm – 5.30pm
- Agenda:
 - 4 to 4.20pm Brief update on PL reforms - Elizabeth Flynn (we can discuss beforehand some suggested matters to cover that would likely be areas of key interest)
 - 4.20 to 5pm - Outline of the MOU - Ian Burgess and Paul Dale
 - 5 to 5.30pm Industry only discussion

Below is the suggested wording for communication to sponsors regarding the webinar – I will confirm tomorrow the link for our website registration for the webinar. My understanding is that the MOU is intended to be announced early on Thursday morning, so subject to that being occurring, it would be ideal if the communication was sent to sponsors Thursday morning.

DRAFT COMMUNICATION TO PL SPONSORS:

SUBJECT: PL Reform industry webinar – Government/MTAA MOU

Dear Industry PL Representative,

We are emailing you as the specified representative for your company or product on the Department of Health's Prostheses List (PL). Where relevant, we ask you to also forward this invitation to your Company CEO or Managing Director, along with other relevant representatives of your company.

The Medical Technology Association of Australia (MTAA) invites representatives of all sponsors with devices listed on the Prostheses List to an industry briefing and forum on the recently announced *Memorandum of Understanding for the policy parameters of the Prostheses List Reforms* https://www.mtaa.org.au/sites/default/files/uploaded-content/field_f_content_file/joint_signed_mtaa_mou_final_for_mtaa_board_14_march_202288100.pdf

Representatives of the Department will provide a brief update on the PL reforms in the first part of the webinar. MTAA will then outline the detail of the MOU and will also facilitate an industry-only discussion.

Date: Wednesday 23 March

Time: 4pm – 5:30pm AEST
