

# S.W.A.T. FOR SAFETY

**Protect yourself against mosquito-borne viruses, including JEV.**

When you're travelling about, follow these four simple **S.W.A.T** tips to protect yourself wherever you are and help keep our mob safe.

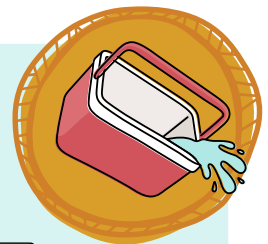

**S**creens should be closed in all living areas.

**W**ear clothes that cover up, especially at dawn and dusk.

**A**pply an effective mosquito repellent regularly.

**T**ip out any dirty water.

**Visit [health.gov.au](https://health.gov.au) to find out more.**
