

# Minutes for the RIGG meeting

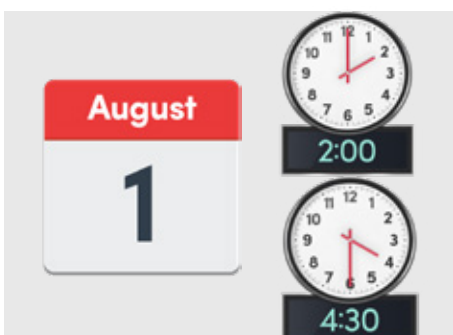

These are the minutes from the Roadmap Implementation Governance Group meeting.

We say **RIGG** for short.

**Minutes** are notes that say what we talked about in the meeting.

The meeting was on 1 August 2022.

It went from 2pm to 4.30pm AEST.

# What we talked about at the meeting

The meeting Chair Simon Cotterell welcomed everyone.

He talked about keeping info private.

He asked if anyone had a conflict of interest.

A **conflict of interest** is when you cannot do what is best for the group.

You might work for another organisation and also want to do what is best for them.

## The last meeting

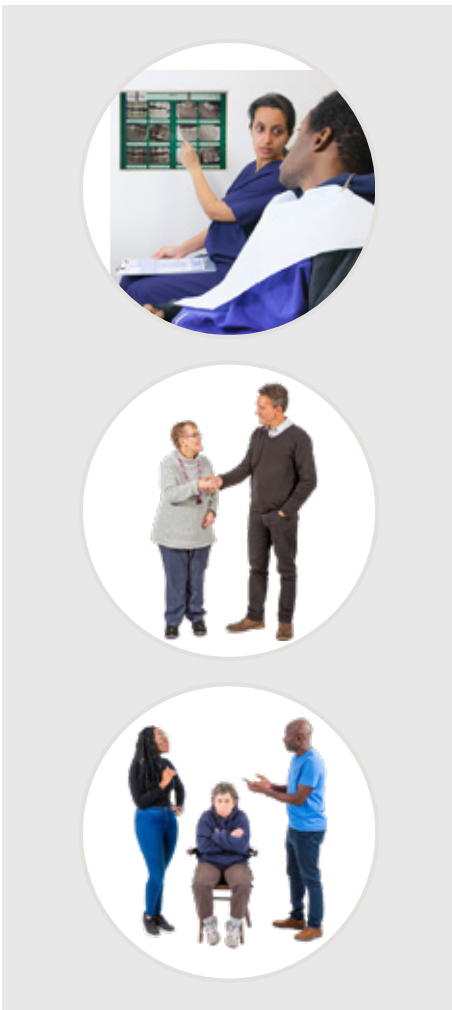

Everyone said they were happy with the minutes from the last meeting.

## Oral health

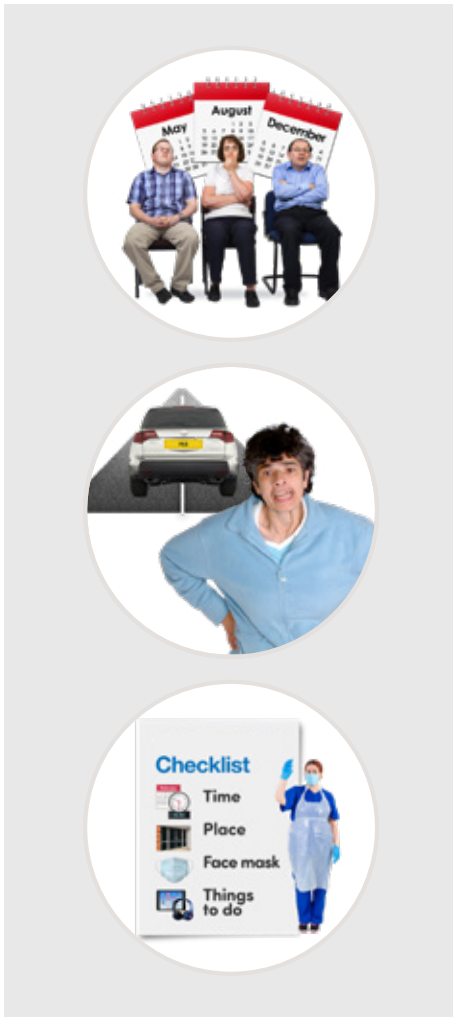

We asked the group about going to the dentist.

We wanted to know what was good and what was not good.

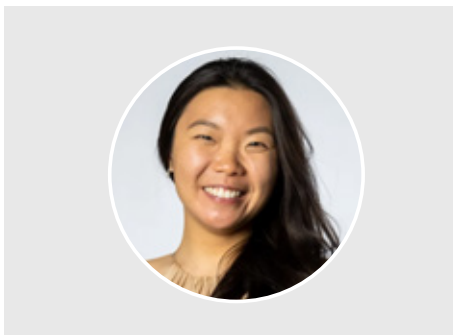

The group told us you want your dentist to

- Tell you what they are doing
- Treat you with respect
- Speak to you and not your support worker.

You also told us that

- It takes a long time to see a dentist even when you need to see them quickly
- The dentist can be far away
- You want to know what will happen before you go.

### Presentation by Dr Trudy Lin

Trudy talked about her job as a dentist.

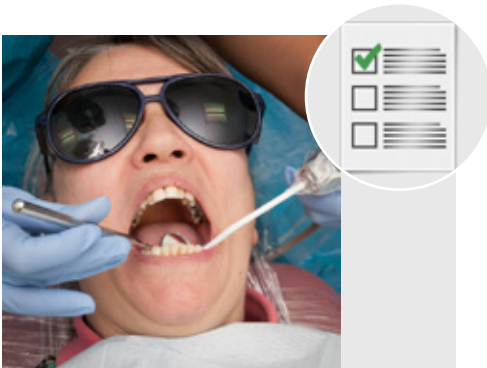

Trudy talked about

- Why healthy teeth are important
- Things that can make oral health care better for people with intellectual disability.

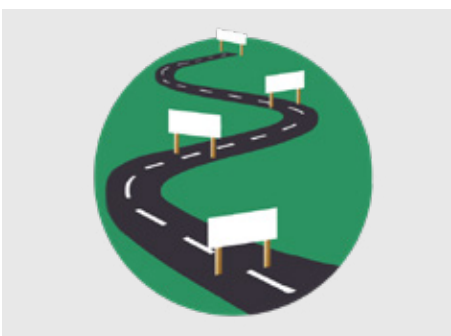

## RIGG members talked about

- That dentists cost a lot of money
- That dentists do not learn about people with intellectual disability at uni
- Having more info in Easy Read
- Including people with intellectual disability in decision making.

## Oral health actions from the Roadmap

We talked about the oral health actions in the roadmap.

These are the next things we will work on in the roadmap.

We said we will call you after the meeting.

We will ask you what actions you think are most important.

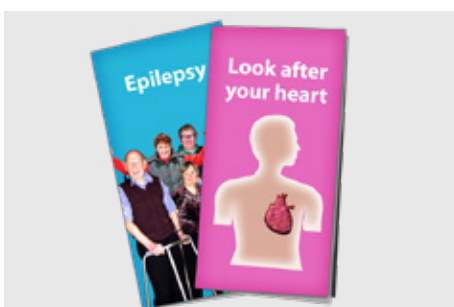

We will tell the group what everyone said at the next meeting.

## NDIS Quality and Safeguards Commission

Donna Gillies from the NDIS Commission talked to the group.

The NDIS commission have made

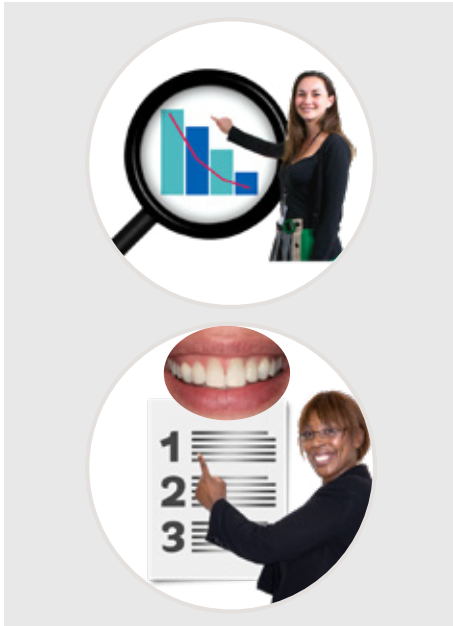

- Info for health workers to work with people with disability
- Classes for health workers.

This info is on their website

**[www.ndiscommission.gov.au](http://www.ndiscommission.gov.au)**
