Askina Barrier Film Spray 28ml – BB#01OCT2022

Proposed Variation on the Stoma Appliance Scheme

The applicant, BBraun Australia Pty Ltd, sought a change in the product code of one variant of the current listing of Askina Barrier Film Spray 28ml (SAS Code 80220D) in subgroup 9(k) of the Stoma Appliance Scheme (SAS) Schedule. The product, with a single variant, is currently listed at a unit price of \$14.700, with a maximum monthly quantity of one unit.

Variation sought

The applicant requested a change in product code from 4002801 to 5036.

Background

This product was first listed on the SAS Schedule on 1 December 2020.

Financial Analysis

This variation is unlikely to have a budgetary impact for the SAS as the variation is only to the product code.

Recommendation

As this was only an administrative change, this application was considered by the Panel secretariat in line with the *Application and Assessment Guidelines*. The Panel secretariat recommended the change to the current product code (4002801) to the product range for Askina Barrier Film Spray 28ml (SAS Code 80220D) listed in subgroup 9(k) of the SAS Schedule at the unit price of \$14.70, with a maximum monthly quantity of 1 unit per month. The new product code under SAS Code 80220D will be 5036. The Panel noted the secretariat's recommendation at the October 2022 meeting.

Context for Recommendation

The Panel secretariat, in accordance with the *SAS Application and Assessment Guidelines*, can process variations to products where there is no change to classification, pricing, maximum quantity or composition. All recommendations are subject to Government approval.

Applicant's Comment

The applicant noted the SPAP recommendation.
