

ASK ABOUT THE FLU VACCINE TODAY

Yearly flu vaccination is recommended for everyone aged 6 months and over

The influenza vaccine is free under the National Immunisation Program for:

- **People 65 and over**
- **Pregnant women**
- **Children 6 months to less than 5 years**
- **Aboriginal and Torres Strait Islander people**
- **People with certain medical conditions**

Some states and territories may offer free vaccines for other groups.
