- Health Care Identifiers
- 24/7 Nursing
- Close / next steps

Discussion Highlights

Welcome and Agenda

- Welcome to new members & introductions.

State of play

- Recap: New SP intake and first *Digital Transformation Tech Talk* for 2023
- Recap: Two major releases (#26)
- Update: Outline closing and open activities (and where to find information).

Release Schedule update

- Note: First iteration of *Star Ratings* released, external provider portal support aimed for release over next month, update on *My Aged Care* release including several expansions covered
- Note: Warranty releases scheduled (for fixes and enhancements)
- Overview: Priorities for next quarter (Quality Indicators, QFR) announced.

Health Care Identifiers

- Introduce: Health Identifiers Framework project
- Outlined key findings (from reviews), drivers and mandates for change, objectives and outcomes
- Note: First round of public consultation ended February 2023, available on department's Aged Care Engagement Hub
- Engagement opportunity: Upcoming workshop likely in April (will return to Sector Partners to introduce).

24/7 Nursing

- Introduce: 24/7 Nursing project
- Outlined problem statement and key challenges
- Note: Timeframes and expected impacts
- Engagement opportunity: Will return to sector partners over multiple upcoming meetings.

Key outcomes, actions, & takeaways

- Note: Next meeting – 11am 24 March
- Reminder: Unanswered questions will be answered offline.
