LSDP initial application form for subsidised treatment of Gaucher disease (type 1)

Privacy notice

The Department is collecting personal information about the patient identified on this application form to process this patient's initial application to receive subsidised treatment through the LSDP. If subsidised treatment through the LSDP is approved, the Department will continue to collect personal information about this patient in order to process a confirmation of ongoing eligibility.

If all of the personal information required is not provided, the Department will not be able to process the initial application to confirm eligibility to receive subsidised treatment through the LSDP.

The Department will disclose personal information to this patient's treating physician, pharmacists, clinical nurses and other health care professionals who may be involved in the administration of this patient's treatment.

The Department will disclose this patient's personal information including Medicare number to Services Australia in order to confirm Medicare eligibility and permanent Australia residency requirements.

'De-identified' personal information will be used for the purpose of the evaluation of the LSDP, which may include the provision of these data to third parties contracted by the Department for this purpose.

The Department has an Australian Privacy Principles (APP) privacy policy which can be read at <https://www.health.gov.au/resources/publications/privacy-policy>

The Department can be contacted by telephone on (02) 6289 1555 or freecall 1800 020 103 or by using the online enquiries form at www.health.gov.au

A copy of the APP privacy policy can be obtained by contacting the Department using the contact details set out above. The APP privacy policy contains information about:

- how to access personal information the Department holds and how to seek correction of it and
- how to complain about a breach of the APP.

The Department is unlikely to disclose personal information to overseas recipients.

Consent to collection of sensitive information for treatment and after cessation of treatment

I consent to the Department collecting genetic and health information about the patient identified on this application form for the purpose indicated above.

I consent to the Department requesting and obtaining sensitive information and supplemental information from my treating physician regarding the reason(s) for ceasing treatment including cause of death, if applicable.

If this information is not able to be obtained from my treating physician, I consent to the Department requesting and obtaining this information from other Government agencies and non-government organisations.

The information collected in this process is for the purpose of determining the cause of discontinuation of subsidised treatment.

Continuing eligibility for subsidised treatment with imiglucerase/taliglucerase/velaglucerase/eliglustat under the LSDP

I understand that:

- If I fail to comply with the associated monitoring and assessment requirements, without an acceptable reason to do so, I will no longer be eligible to receive subsidised treatment with imiglucerase/taliglucerase/velaglucerase/eliglustat through the LSDP.
- I understand that if treatment with imiglucerase/taliglucerase/velaglucerase/eliglustat does not result in a clinically meaningful effect, imiglucerase/taliglucerase/velaglucerase/eliglustat may be discontinued.

Treating physician's declaration

I confirm that:

I am the treating physician of the patient as stated in this form, and have relevant specialist registration. I hereby apply for Australian Government subsidised access to treatment for Gaucher disease (type 1) through the LSDP on behalf of my patient.

I declare that:

The information provided in this form is complete and correct.

I have attached copies of all relevant reports and forms, and completed the Excel spreadsheet for Gaucher disease (type 1) and emailed to LSDP@health.gov.au as evidence of initial eligibility.

To the best of my knowledge and belief, my patient is eligible to receive subsidised treatment with imiglucerase, velaglucerase, taliglucerase or eliglustat through the LSDP in accordance with the Guidelines.

I am aware that the patient must be an Australian citizen or permanent Australian resident who qualifies for Medicare.

I understand that:

I have an ongoing obligation to ensure that my patient continues to meet the eligibility criteria to receive subsidised treatment through the LSDP.

Making a false or misleading declaration is a serious offence and may lead to further investigations.

I must submit a separate reapplication for subsidised treatment through the LSDP by 1 May each year if I wish for my patient to continue to receive subsidised treatment.

I agree that:

If I become aware that my patient no longer meets the eligibility criteria for subsidised access to treatment through the LSDP at any time, I will notify the Department immediately.
