

# Sector Partners

Meeting: 17 | Meeting date: 24/03/2023

## Agenda

- Welcome & agenda
- State of play
- B2G Authentication Discovery
- 24/7 Nursing update
- Sector Partner Pulse survey
- Close / next steps

## Discussion Highlights

### Welcome and Agenda

- Welcome and housekeeping

### State of play

- Recapped open activities - including
  - *Healthcare Identifiers initiative*
  - *24/7 Nursing*
- Launched new practice activity – *Terms of Reference* review (marked up version to be circulated in post-event email; NIL response requested if no additional updates required)
- Launched new *Sector Partner Pulse* survey; shared link in meeting and link will also be available in post-event email; intent is to measure current levels of satisfaction with the group and identify areas for improvement

### B2G Authentication Discovery

- Presented a new co-design activity to explore and identify options and recommended solution for providers to authenticate into the core platform and consume B2G services
- Link to register will be available in post-event email

### 24/7 Nursing Feedback on Screens

- Presented intention to release a form for Residential Service Providers to capture information relating to the provision of Registered Nurses within their facilities
- Provided walkthrough of the form

### Sector Partner Pulse survey

- Replayed highlights of survey responses so far
- Noting 9 responses received with key themes indicating:
  - High satisfaction, with mention of the group's transparency, broad industry representation, and strong sense of community
  - A need to focus improvements on visibility of timeframes and the expected impacts of change

### Key outcomes, actions, & takeaways

- Action: Sector Partner Pulse Survey
- Action: Sector Partner Terms of Reference Review
- Action: B2G Authentication Discovery Participation

# Sector Partners

- Reminder: Sector Partner SharePoint site contains information about all co-design activities
