Healthy Food Partnership Reformulation Program: Sign-up Form

Company name _____

Represented by _____

This form is to confirm that _____ is committed to participating in the Healthy Food Partnership Reformulation Program (the Program).

By committing to the Program _____ is committing to:

- meet the relevant reformulation targets for 80 per cent of products, by sales volume, for each of the product categories, and show effort towards reformulating the remaining 20 per cent of products; and
- submit a baseline report on the nutritional content of their products within 3 months of joining the program, based on the sign-up time period; and
- submit progress reports at year 2 and year 4 using the *Healthy Food Partnership Reformulation Program: Reporting and Monitoring Template*

As this is a voluntary program, there will be no penalties for companies not meeting the targets.

Please note this form is an intention of commitment only and is not intended to be legally binding.
