ConvaTec Active Life – CC#01MAY2023

Proposed Deletion on the Stoma Appliance Scheme

The applicant, ConvaTec, sought the deletion of one variant of the current listing of ConvaTec Active Life (SAS Code 3661Q) in subgroup 3(a) of the Stoma Appliance Scheme (SAS) Schedule, as it is being discontinued. The product, including 5 variants, is currently listed at a unit price of \$4.674 with a maximum monthly quantity of 40 units.

Substitute products

ConvaTec Active Life: SAS Code: 3661Q (Company code: 64927)

Variant to be deleted

Product Code	Description
64931	ConvaTec Active Life, 45mm

Background

This product was first listed on the SAS Schedule on 1 April 2011.

Clinical Place for the Product

Not applicable.

Financial Analysis

Substitute products are currently listed in subgroup 3(a) of the SAS Schedule at the same cost and maximum monthly quantity. It is unlikely there would be any budgetary impact for the SAS as a consequence of deleting one variant of the product.

Recommendation

As this was an administrative change, this application was considered by the Panel secretariat in line with the *SAS Application and Assessment Guidelines*. The Panel secretariat, noting equivalent products remained on the Schedule, recommended the deletion of one variant from the product range (5 variants) of ConvaTec Active (SAS Code 3661Q) in subgroup 3(a) of the SAS Schedule. The Panel noted the secretariat's recommendation at the May 2023 meeting.

ConvaTec is to advise stoma associations, ostomates, stomal therapy nurses and the Australian Council of Stoma Associations of the deletion. A period of approximately 6 months from the date of the recommendation (2 May 2023) should be given to allow users of the product to seek a suitable alternative and to enable stoma associations to manage their stock levels.

Context for Recommendation

The Panel secretariat, in accordance with the *SAS Application and Assessment Guidelines*, usually processes deletions to products. This includes consideration of whether appropriate

alternative products remain available on the SAS Schedule. Suggested alternative products are noted by the secretariat but not referenced in the SAS Schedule.

Applicant's Comment

The applicant noted the recommendation.

ConvaTec Esteem Synergy – CC#02MAY2023

Proposed Deletion on the Stoma Appliance Scheme

The applicant, ConvaTec, sought the deletion of one variant of the current listing of ConvaTec Esteem Synergy (SAS Code 3877C) in subgroup 4(d) of the Stoma Appliance Scheme (SAS) Schedule, as it is being discontinued. The product, including 3 variants, is currently listed at a unit price of \$5.005 with a maximum monthly quantity of 30 units.

Substitute products

No substitute product nominated.

Variants to be deleted

Product Code	Description
403948	ConvaTec Esteem Synergy, 61mm

Background

This product was first listed on the SAS Schedule on 1 April 2011.

Clinical Place for the Product

Not applicable.

Financial Analysis

Substitute products are currently listed in subgroup 4(d) of the SAS Schedule at the same cost and maximum monthly quantity. It is unlikely there would be any budgetary impact for the SAS as a consequence of deleting one variant of the product.

Recommendation

As this was an administrative change, this application was considered by the Panel secretariat in line with the *SAS Application and Assessment Guidelines*. The Panel secretariat, noting equivalent products remained on the Schedule, recommended the deletion of one variant from the product range (3 variants) of ConvaTec Esteem Synergy (SAS Code 3877C) in subgroup 4(d) of the SAS Schedule. The Panel noted the secretariat's recommendation at the May 2023 meeting.

ConvaTec is to advise stoma associations, ostomates, stomal therapy nurses and the Australian Council of Stoma Associations of the deletion. A period of approximately 6 months from the date of the recommendation (2 May 2023) should be given to allow users of the product to seek a suitable alternative and to enable stoma associations to manage their stock levels.

Context for Recommendation

The Panel secretariat, in accordance with the *SAS Application and Assessment Guidelines*, usually processes deletions to products. This includes consideration of whether appropriate

alternative products remain available on the SAS Schedule. Suggested alternative products are noted by the secretariat but not referenced in the SAS Schedule.

Applicant's Comment

The applicant noted the recommendation.

ConvaTec Esteem + – CC#03MAY2023

Proposed Deletion on the Stoma Appliance Scheme

The applicant, ConvaTec, sought the deletion of 3 variants of the current listing of ConvaTec Esteem + (SAS Code 5677T) in subgroup 1(b) of the Stoma Appliance Scheme (SAS) Schedule, as they are being discontinued. The product, including 37 variants, is currently listed at a unit price of \$2.735 with a maximum monthly quantity of 90 units.

Substitute products

ConvaTec Esteem + (SAS Code 5677T)

Variants to be deleted

Product Code	Description
421826	ConvaTec Esteem +, 25mm
421836	ConvaTec Esteem +, 50mm
416703	ConvaTec Esteem +, 25mm

Background

This product was first listed on the SAS Schedule on 21 November 2011.

Clinical Place for the Product

Not applicable.

Financial Analysis

Substitute products are currently listed in subgroup 1(b) of the SAS Schedule at the same cost and maximum monthly quantity. It is unlikely there would be any budgetary impact for the SAS as a consequence of deleting 3 variants of the product.

Recommendation

As this was an administrative change, this application was considered by the Panel secretariat in line with the *SAS Application and Assessment Guidelines*. The Panel secretariat, noting equivalent products remained on the Schedule, recommended the deletion of 3 variants from the product range (37 variants) of ConvaTec Esteem + (SAS Code 5677T) in subgroup 1(b) of the SAS Schedule. The Panel noted the secretariat's recommendation at the May 2023 meeting.

ConvaTec is to advise stoma associations, ostomates, stomal therapy nurses and the Australian Council of Stoma Associations of the deletion. A period of approximately 6 months from the date of the recommendation (2 May 2023) should be given to allow users of the product to seek a suitable alternative and to enable stoma associations to manage their stock levels.

Context for Recommendation

The Panel secretariat, in accordance with the *SAS Application and Assessment Guidelines*, usually processes deletions to products. This includes consideration of whether appropriate alternative products remain available on the SAS Schedule. Suggested alternative products are noted by the secretariat but not referenced in the SAS Schedule.

Applicant's Comment

The applicant noted the recommendation.

ConvaTec Esteem Synergy + – CC#04MAY2023

Proposed Deletion on the Stoma Appliance Scheme

The applicant, ConvaTec, sought the deletion of 2 variants of the current listing of ConvaTec Esteem Synergy + (SAS Code 5684E) in subgroup 5(b) of the Stoma Appliance Scheme (SAS) Schedule, as they are being discontinued. The product, including 9 variants, is currently listed at a unit price of \$1.564 with a maximum monthly quantity of 90 units.
