Discussion Highlights

Welcome and agenda

- Welcome and housekeeping

State of play

- SHARED: Induction overview for newly joined members
- ACTION: (Group)
 - Seeking group feedback on three proposed persona groups
 - Seeking volunteers for open co-design activities
 - Seeking volunteers to present on their own personas research and/or similar work.

24/7 Registered Nursing playback

- NOTE:
 - Previous recording re. Registered Nurses form functionality and flow on Sector Partner collaboration site has been published on Sector Partner collaboration site
 - Residential service providers can record registered nurses availability from 3 July
 - Providers will see updates in GPMS (also available via email).

Provider Operations playback

- NOTE:
 - Data Capture form release is planned for July
 - The form will be available for providers to complete until the end of October
- SHARED: Data that will be included in provider report and *Data Capture* form user interface.

B2G update

- ACTION: (Group) SPs encouraged to complete [B2G authentication survey](#) (re-opened due to new questions being added)
- SHARED: Provider experience journey map.

Sector Partner update

- SHARED: First look at the redesigned Portfolio Release Timeline diagram (in development)
- ACTION: (Group) Provide input into diagram legibility and usefulness/validity.

Key outcomes, actions, & takeaways

NOTE: (Secretariat) Recording specific to 24/7 Nursing to be uploaded to Sector Partner collaboration site.
