Moderma Flex CeraPlus Closed Firm Convex Pouch – HO#01MAY2023

Proposed Listing on the Stoma Appliance Scheme

The applicant, Hollister, sought listing of Moderma Flex CeraPlus Closed Firm Convex Pouch in subgroup 1(c) of the Stoma Appliance Scheme (SAS) Schedule. The product (one variant) was proposed for listing at a unit price of \$4.707 and price premium of \$0.274, and with a maximum monthly quantity of 60 units.

Comparator

The applicant nominated Moderma Flex CeraPlus Closed Firm Convex Pouch (SAS Code 80107E) as the comparator. The comparator product (5 variants) is currently listed in subgroup 1(c) of the SAS Schedule at the unit price of \$4.707 and price premium of \$0.274, with a maximum monthly quantity of 60 units.

Background

This was the Stoma Product Assessment Panel's (the Panel) first consideration of this product.

Clinical Place for the Product

The proposed product provides an alternative for users requiring a closed pouch with convex base.

Clinical Analysis

The Panel noted that this application was to add a variant to an existing product range to include a Ceramide infused skin barrier to protect the skin while maintaining adhesion.

Economic Analysis

The Panel noted that the listing of this new product at the same price and the same maximum monthly quantity as currently listed products in the same subgroup will result in the same monthly cost on the SAS Schedule.

Financial Analysis

Listing of this product is unlikely to have a budgetary impact for the SAS as it will be listed at the same price and the same maximum monthly quantity as currently listed products in the same subgroup.

Panel Recommendation

The Panel recommended that the Moderma Flex CeraPlus Closed Firm Convex Pouch be listed in subgroup 1(c) of the SAS Schedule with one variant, at the unit price of \$4.707 and price premium of \$0.274, with a maximum monthly quantity of 60 units.

Context for Recommendation

The Panel provides advice on whether stoma products should be subsidised and, if so, the conditions of their subsidisation in Australia. Applications are considered in this context. The Panel is an advisory committee and as such its recommendations are non-binding on Government. All Panel recommendations are subject to Government approval.

Applicant's Comment

The applicant noted the Panel recommendation.

Moderma Flex CeraPlus Firm Convex Drainable Pouch without Tape – HO#02MAY2023

Proposed Listing on the Stoma Appliance Scheme

The applicant, Hollister, sought listing of Moderma Flex CeraPlus Firm Convex Drainable Pouch without Tape in subgroup 2(b) of the Stoma Appliance Scheme (SAS) Schedule. The product (one variant) was proposed for listing at a unit price of \$6.578 and a price premium of \$0.205 and with a maximum monthly quantity of 30 units.

Comparator

The applicant nominated Moderma Flex CeraPlus Firm Convex Pouch without Tape border (SAS Code 80111J) as the comparator. The comparator product (14 variants) is currently listed in subgroup 2(b) of the SAS Schedule at the unit price of \$6.578 and a price premium of \$0.205 and with a maximum monthly quantity of 30 units.

Background

This was the Stoma Product Assessment Panel's (the Panel) first consideration of this product.

Clinical Place for the Product

The proposed product provides an alternative for users requiring a drainable pouch without a tape border.

Clinical Analysis

The Panel noted that this application was to add a variant to an existing product range to include a Ceramide infused skin barrier to protect the skin while maintaining adhesion.

Economic Analysis

The Panel noted that the listing of this new product at the same price and the same maximum monthly quantity as currently listed products in the same subgroup will result in the same monthly cost on the SAS Schedule.

Financial Analysis

Listing of this product is unlikely to have a budgetary impact for the SAS as it will be listed at the same price and the same maximum monthly quantity as currently listed products in the same subgroup.

Panel Recommendation

The Panel recommended that the Moderma Flex CeraPlus Firm Convex Drainable Pouch without Tape be listed in subgroup 2(b) of the SAS Schedule with one variant, at a unit price of \$6.578 and a price premium of \$0.205 and with a maximum monthly quantity of 30 units.

Context for Recommendation

The Panel provides advice on whether stoma products should be subsidised and, if so, the conditions of their subsidisation in Australia. Applications are considered in this context. The Panel is an advisory committee and as such its recommendations are non-binding on Government. All Panel recommendations are subject to Government approval.

CeraPlus Barrier Extenders – HO#03MAY2023

Proposed Listing on the Stoma Appliance Scheme

The applicant, Hollister, sought listing of CeraPlus Barrier Extenders in subgroup 9(a) of the Stoma Appliance Scheme (SAS) Schedule. The product (one variant) was proposed for listing at a unit price of \$1.458, with a maximum monthly quantity of 60 units.

Comparator

The applicant nominated Adapt Barrier Extenders (SAS Code 80141Y) as the comparator. The comparator product (one variant) is currently listed in subgroup 9(a) of the SAS Schedule at the unit price of \$1.458, with a maximum monthly quantity of 60 units.

Background

This was the Stoma Product Assessment Panel's (the Panel) first consideration of this product.

Clinical Place for the Product

The proposed product provides an alternative for users requiring additional security around the edges of their skin barrier as protection against their barrier edge lifting.

Clinical Analysis

The Panel noted that this application was to add a variant to an existing product range to include a Ceramide infused skin barrier to protect the skin while maintaining adhesion.

Economic Analysis

The Panel noted that the listing of this new product at the same price and the same maximum monthly quantity as currently listed products in the same subgroup will result in the same monthly cost on the SAS Schedule.

Financial Analysis

Listing of this product is unlikely to have a budgetary impact for the SAS as it will be listed at the same price and the same maximum monthly quantity as currently listed products in the same subgroup.

Panel Recommendation

The Panel recommended that the CeraPlus Barrier Extenders be listed in subgroup 9(a) of the SAS Schedule with one variant, at the unit price of \$1.458, with a maximum monthly quantity of 60 units.

Context for Recommendation

The Panel provides advice on whether stoma products should be subsidised and, if so, the conditions of their subsidisation in Australia. Applications are considered in this context. The

Australian Government

Department of Health and Aged Care

Panel is an advisory committee and as such its recommendations are non-binding on Government. All Panel recommendations are subject to Government approval.

Background

This product was first listed on the SAS Schedule on 20 November 2011.

Clinical Place for the Product

Not applicable.

Financial Analysis

Substitute products are currently listed in subgroup 2(b) of the SAS Schedule at the same cost and maximum monthly quantity. It is unlikely there would be any budgetary impact for the SAS as a consequence of deleting this product.

Recommendation

As this was an administrative change, this application was considered by the Panel secretariat in line with the SAS *Application and Assessment Guidelines*. The Panel

secretariat, noting equivalent products remained on the Schedule, recommended the deletion of the entire product range (12 variants) for Hollister Moderma Flex Maxi FlexWear Drainable Firm Convex (SAS Code 5675Q) listed in subgroup 2(b) of the SAS Schedule. The Panel noted the secretariat's recommendation at the May 2023 meeting.

Hollister is to advise stoma associations, ostomates, stomal therapy nurses and the Australian Council of Stoma Associations of the deletion. A period of approximately 6 months from the date of the recommendation (2 May 2023) should be given to allow users of the product to seek a suitable alternative and to enable stoma associations to manage their stock levels.

Context for Recommendation

The Panel secretariat, in accordance with the *SAS Application and Assessment Guidelines*, usually processes deletions to products. This includes consideration of whether appropriate alternative products remain available on the SAS Schedule. Suggested alternative products are noted by the secretariat but not referenced in the SAS Schedule.

Moderma Flex CeraPlus Closed Soft Convex Pouch - HO#08MAY2023

Proposed Variation on the Stoma Appliance Scheme

The applicant, Hollister, sought the change in maximum quantity allowance for the current listing of the Hollister Moderma Flex CeraPlus Closed Soft Convex Pouch (SAS Code 80251R) in subgroup 1(c) of the Stoma Appliance Scheme (SAS) Schedule. The product, including 6 variants, is currently listed at a unit price of \$4.707, including a pack premium of \$0.274 per unit, with a maximum monthly quantity of 30 units.

Variation requested

The applicant requested the change in maximum quantity allowance for the current listing of SAS Code 80251R to 60 units to align with all other products listed in subgroup 1(c) of the SAS Schedule.

Background

This product was first listed on the SAS Schedule on 1 April 2023.

Financial Analysis

The change to the maximum quantity allowance would mean the product has the same maximum monthly quantity as currently listed products in the same subgroup, which will result in the same monthly cost on the SAS Schedule and is unlikely to have a budgetary impact for the SAS.

Recommendation

The Panel recommended the change in maximum monthly quantity to 60 units for Moderma Flex CeraPlus Closed Soft Convex Pouch (SAS Code 80251R) listed in subgroup 1(c) of the SAS Schedule with 6 variants, \$4.707, including a pack premium of \$0.274 per unit.

Context for Recommendation

The Panel provides advice on whether stoma products should be subsidised and, if so, the conditions of their subsidisation in Australia. Applications are considered in this context. Background

This product was first listed on the SAS Schedule on 1 November 2021.

Financial Analysis

There is no change to the listed price or maximum monthly quantity, resulting in the same monthly cost on the SAS Schedule. The change in product description is unlikely to have a budgetary impact for the SAS.

Recommendation

As this was an administrative change, this application was considered by the Panel secretariat in line with the *SAS Application and Assessment Guidelines*.

The Panel secretariat recommended the change in description of 2 variants to the current product range (9 variants) for Hollister New Image CeraPlus Flat Barrier (SAS Code 80062T) in subgroup 4(b) of the SAS Schedule at the unit price of \$4.742, with a maximum monthly quantity of 20 units. The description of 2 variants will change from 44mm ring to 57mm ring. The Panel noted the secretariat's recommendation at the May 2023 meeting.

Context for Recommendation

The Panel secretariat, in accordance with the *SAS Application and Assessment Guidelines*, can process variations to products where there is no change to classification, pricing, maximum quantity or composition. All recommendations are subject to Government approval.
