

Career support for nurses working in aged care

Scholarships

Available for personal care workers, nurses and allied health professionals working in aged care.

Clinical Placements

Supporting Bachelor and Master of Nursing students with high-quality clinical placements in the care and support sector, including aged care, veterans' care and disability support.

Transition to Practice

Supporting new aged care nurses with training and professional development.

Nurses who take part in the program will receive:

- specialist training in aged care and gerontological nursing
- mentorship from senior aged care nurses.

Pay rise for aged care workers

We are funding a pay rise for aged care workers, with award wages for nurses rising by 15% from 1 July 2023.

'Nurses play an integral role in providing high quality care for older people.'

These opportunities aim to enable nurses to develop their careers in the aged care sector.'
