Discussion Highlights

Welcome and agenda

- Welcome and housekeeping

State of play

- SHARED: May Budget announcements
- REVIEWED: Open co-design activities (14), including three on today's agenda.

Conformance Assessment Scheme (CAS) Update

- SHARED: Update on CAS activity being led by Australian Digital Health Agency (ADHA), including preview of connection and conformance process
- NOTE:
 - *Core Conformance Profile* will be socialised on the department's *B2G Developer Portal*
 - *Core Conformance Profile* expected to be finalised by 30 June 2023.

B2G Developer Portal demo

- SHARED:
 - Design prototype of the *B2G Developer Portal*
 - UX refinement activities and ADHA conformance process
- NOTE:
 - *API authentication model* and *API roadmap* will be shared in a future meeting
 - API development is open to all.

Support at Home program

- SHARED:
 - Workflow for Support at Home (S@H) for ongoing services
 - Self-management options
 - S@H Invoice example
 - Possible self-management options (online platforms, lead provider model, manual processes, My Aged Care)
- NOTE: Schedule of consultations will be published on the *Aged Care Consultation Hub*.

Key outcomes, actions, & takeaways

- As noted above
- Next meeting: 16 June.
