Discussion highlights

Welcome and agenda

- Welcome and housekeeping

State of play update

- NOTE:
 - 24x7 release this weekend (will be formally announced at a later date)
 - Looking at opportunities to invite the Minister to a future Tech Talk
 - 13 active co-design initiatives, including two on today's agenda.

B2G onboarding and conformance

- SHARED:
 - Findings, observations and priorities from feedback around provider experience
 - Possible end-to-end *Future State Provider Experience*
 - Immediate next steps (including socialisations)
- NOTE: Further feedback will soon be sought from other government agencies as well as the sector on experience and priorities (through solution architecture lens).

Sector Partner site update

- SHARED:
 - Updated design and content for site
 - Content 'coming soon'
- ACTION: Content and design feedback is welcome.

Key outcomes & actions

- NOTE: Next meeting 11am Friday 14 July.
