

National Nursing Workforce Strategy

Strategy Advisory Group

Meeting Communique 18 September 2023

The second meeting of the National Nursing Workforce Strategy Advisory Group (SAG) was held on 18 September 2023. The purpose of this meeting was to review and provide feedback on the approach to the environmental scan, proposed consultation approach and schedule and supporting documents for the first round of stakeholder engagement.

Feedback from this meeting was provided to the Strategic Steering Committee (SSC) who met on 21 September 2023, for their consideration. Feedback from both committees will be collated and form the next iteration of the consultation approach for the first round of stakeholder consultation.

Public consultation has commenced, with nationwide workshops now available for registration. Consultation dates and locations are available on the Strategy's [booking website](#). Further consultation including a public survey will be conducted via the Department's [consultation hub](#). Stakeholders are encouraged to receive updates on development via the Strategy [website](#) or by signing up to the Chief Nursing and Midwifery Officer [newsletter](#).

The next SAG meeting is scheduled for December 2023, where the committee will review the results and analysis of round one of stakeholder consultation.
