Discussion highlights

Welcome and agenda

- Welcome and housekeeping.

State of Play update

- SHARED:
 - [Department Annual Report](#) now available on our *Health and Aged Care* website
 - Update on next Sector Partner member induction plans
- Reviewed Co-design Activity status.

R6: Business Verification Testing

- SHARED:
 - Overview of Release 6 (which includes moving legacy National Provider Management System (NAPS) to Government Provider Management System (GPMS))
 - Sought volunteers for Sector Partners to participate in Release 6 weekend BVT to reduce risk of defects, providing:
 - Details of the types of testers needed and likely test activities
 - Likely date of Sunday, 19 November (exact time/duration TBD).

Hot Topic: LeeCare's QI data solution

- SHARED: Member Caroline Lee from LeeCare shared their data collection spreadsheet template and process used to facilitate QI reporting into GPMS.

Close

- Q&A and thanks.

Key outcomes & actions

- ACTION: Volunteer for R6 BVT
- Next meeting: 11am Friday, 17 November.
