Australian Government
Department of Health and Aged Care

A group of four diverse people (three women and one man) are shown from the chest up, laughing heartily. They are in a bright, indoor setting, possibly a meeting room. The woman in the center has curly hair and is wearing a white lace top. The man next to her has glasses and a beard, wearing a blue shirt. The woman on the far left has long blonde hair and is wearing a light-colored top. The woman on the far right is partially visible, also laughing. The overall mood is joyful and collaborative.
