

## FIRST NATIONS HEALTH FUNDING TRANSITION ADVISORY GROUP

# Communique

7 December 2023

The First Nations Health Funding Transition Advisory Group met virtually on 7 December 2023. The meeting was chaired by Dr Dawn Casey, Deputy CEO, National Aboriginal Community Controlled Health Organisation.

## Draft report

Members received KPMG's draft project report which encompassed a preliminary assessment of the identified programs for transition. KPMG facilitated a robust discussion with members and valuable insights were harnessed to inform refining the report. Members' input will be incorporated into the report's final version which will undergo further analysis with the advisory group and policy areas across the Department in 2024.

The Department will work closely with members to progress further work in designing transition roadmaps.
