11/01/2024 12:12 PM	Assign	Processing Instructions	s22	<p>Hi MPS, We have sought advice from the Commission's Legal Service's team and the correspondence is out of scope for the Commission to respond to. It is our understanding that 11C intended her correspondence to be seen by the National Anti-Corruption Commission, with the barrier being an inability to make the submission online. She has therefore requested the assistance of the Attorney-General's Department (AGD) to bring her correspondence to the attention of that body. We suggest that this is directed back to AGD.</p>
