

LET'S CHANGE AGED CARE TOGETHER

The Australian Government is making changes to aged care. These reforms will improve aged care in Australia now and into the future.

We are working with older people, their families, carers and the aged care sector to create better aged care services and a better standard of care for older people in Australia.

You can have your say about the changes to aged care:

Sign up to receive *EngAged*, our monthly newsletter for older people:

Looking for an aged care home?

To compare the quality of aged care homes across Australia visit:

 MyAgedCare.gov.au/find-a-provider

The Find a Provider tool will show you each home's Star Rating, and how much the service is spending on care, food, wages and more. This will help you compare quality and choose a home that suits your needs.
