

Australian Government

my **medicare**

Stronger links between you and your primary health care team

Seeing your GP regularly leads to better health outcomes.

When you register in MyMedicare, you and your usual GP and practice will receive access to new benefits to help them deliver more of the care you need.

It's free and voluntary to register in MyMedicare, and registration is open to Australians with a Medicare card or Department of Veterans' Affairs (DVA) Veteran Card.

Talk to your regular general practice or GP about registering in MyMedicare, or find out more at health.gov.au/mymedicare
