The grant categories are defined as specified in the *Commonwealth Grants Rules and Guidelines 2017*:

Category	Description
Open competitive	Funding rounds which have open and closed nominated dates, with eligible applications being assessed against the nominated selection criteria
Targeted or restricted competitive	Funding rounds which are open to a small number of potential grantees based on the specialised requirements of the grant activity under consideration
Non-competitive	Applications may be submitted at any time over the life of the grant opportunity and are assessed individually against the selection criteria, with funding decisions in relation to each application being determined without reference to the comparative merits of other applications
Demand-driven	Applications that satisfy stated eligibility criteria receive funding, up to the limit of available appropriations and subject to revision, suspension or abolition of the grant opportunity
Closed non-competitive	Where applicants are invited by the entity to submit applications for a particular grant and the applications or proposals are not assessed against other applicants' submissions but assessed individually against other criteria
One-off/ad hoc	To be determined on an ad hoc basis, usually by Ministerial decision
