Agreed, she says she will provide it to me under embargo, so happy to chat offline about it.

Yes, well everyone is talking about the letter, but nobody I know has seen it. Would be helpful to have some more specifics from them about what they are worried about

Hello lovelys22

Always lovely to see you and thank you for always being so accommodating.

Can you check with Nick Hartland if he would agree to a quick 30 minute meeting with myself and LG from Miles Morgan to discuss s47G which would need to be managed delicately.

Happy to do a quick coffee Wed morning at Space to chat about this, if that suits him.

Rusty knows some of this, but I think we need to bring Nick H to speed with how this could play out.

Thanks
