

Australian Government

Australian Government response to the Senate Select
Committee report:

Final report—Hospital funding cuts: the perfect storm:
The demolition of Federal-State health relations 2014-2016.

SEPTEMBER 2024

Response to the recommendations

Australian Government response

The Government notes this recommendation. However, given the passage of time since this report was tabled, in May 2016, a substantive Government response is no longer appropriate.
