Hi Rusty,  
Looking forward to the opportunities which lay ahead.  
Are there any pre-requisites I need to have in place to support working with you / government?  
Thanks

Hi s47F

Apologies for the delay – wanted to come back with something more definitive.

All of these things are up for grabs in the future. We are just working through resolving outstanding challenges at the moment, and we are hopeful that we can mop these up very shortly.

Once that is sorted, I think we would be keen to engage with Cinch on options.

Cheers,

Rusty
