

# You have choices when it comes to your **Cervical Screening Test**

'You have choices  
when it comes to  
your free Cervical  
Screening Test'

## **It's your Cervical Screening Test. Let's Own It.**

Women and people with a cervix aged between 25 and 74 should have one every five years.

**Talk to your doctor.** Visit **[ownit.org.au](https://ownit.org.au)** to find out more.
