

# You have choices when it comes to your **Cervical Screening Test**

'I chose to ask  
my doctor how  
the self-swab  
test works'

## **It's your Cervical Screening Test. Own It.**

Women and people with a cervix aged between 25 and 74 should have one every five years.

**Talk to your doctor.** Visit **ownit.org.au** to find out more.
