

# You have choices when it comes to your **Cervical Screening Test**

'I chose to  
talk to my  
doctor about  
the option  
to self-swab'

## **It's your Cervical Screening Test. Own It.**

Women and people with a cervix aged between 25 and 74 should have one every five years.

**Talk to your doctor.** Visit **[ownit.org.au](https://ownit.org.au)** to find out more.
