Coloplast Variation Request – November 2024	2
---	---

Coloplast Variation Request – November 2024

Proposed Deletions on the Stoma Appliance Scheme

The applicant, Coloplast, sought to change the pack size for one variant of the following listing:

Application ID	Group ID	SAS Code	Brand Name	Current Pack Size	Max Qty	Unit Price	New Pack Size	Company Code being varied
CT#01	10a	80181C	Coloplast Sensura Mio Baby Two Piece Adhesive Coupling Drainage Bag	5	60m	3.504	10	18700

Financial analysis

The variation does not include any changes to the price or maximum quantity of the current product range and is unlikely to have any budgetary impact for the SAS.

Recommendation

As this was an administrative change, this application was considered by the Panel secretariat in line with the SAS *Application and Assessment Guidelines*. The Panel secretariat recommended the change to the product pack size from 5 to 10 for the current product range (one variant) for the Coloplast Sensura Mio Baby Two Piece Adhesive Coupling Drainage Bag (SAS Code 80181C).

Context for Recommendation

The Panel secretariat, in accordance with the SAS *Application and Assessment Guidelines*, usually processes product variations requested by the sponsor.

Applicant's Comment

The applicant noted the recommendation.
