Hi s47F - I'm not sure if this is a you one. Alison Byrnes is looking for an urgent brief on this. I'm wondering if you or the relevant adviser can get something from the department on Monday, and then give her s47F a call to discuss in my absence (I'm on leave Mon and Tues). There have been media reports today about bullying allegations from a group of whistleblowers. She would like to know what if anything govt is doing, given we are funding the service.

s47F is on s47F

Thanks
