RAC Funding Assessor Functions

People assigned the *RAC Funding Assessor* role will have the below view in the My Aged Care Assessor Portal. From here, they can view the residential aged care funding assessment (assessment) referrals they have been assigned to undertake, and the assigned referrals that have been closed. They can also accept and assign referrals.

RAC Funding Assessor Team Leads can also access the roles of the RAC Funding Assessor.

Viewing Referrals

Select the Residential Funding Referrals tile from the assessor portal home page.

Transferring Referrals

Both departmental staff and RAC Funding Assessor Team Leads can transfer **Residential Permanent** referrals between Assessment Outlets (Assessment Organisations) without needing to recall the referrals first.

! RAC funding team leads can transfer a new referral where an unrestricted assessment is not in progress, in the case their outlet/organisation unexpectedly does not have the capacity to accept the referral. For example, the outlet/organisation has received an urgent referral but does not have any assessors available to complete the referral in the required timeframe.

Prior to completing the transfer, the Team Lead must contact the organisation they want to transfer the referral to and confirm they have the capacity and are willing to accept the referral. (The receiving organisation must be in the same ACPR - Aged Care Planning Region).
