Navigating the Reforms Timeline

SHARED:

Sector Partners

- Timeline review and future roadmap.
- An overview of a [new interactive timeline resource](#).
- The updates discussed were:
 - consolidating information into one location
 - curating information by month, including previous, current and future months
 - the ability to filter stakeholders by group and type
 - visually presenting information so it's less overwhelming, more concise and more accessible.

Digital Transformation Impact Assessment

SHARED:

- Project aims including:
 - assessing the impacts of the 1 July changes on different types of organisations within the aged care sector
 - providing tools to help organisations better understand how the 1 July changes will impact them
 - helping organisations to effectively prepare and adapt to the changes.
- Details on how service providers, assessment organisations, ICT/software vendors and other suitable experts can apply to join the multi-disciplinary working group.

Shift in Engagement Approach

SHARED:

- Upcoming changes in the way Sector Partners presents information until 1 July 2025. These include two major changes:
 - A shift in the way information is shared, moving the focus from project to platform.
 - Additional time allocated to Q&A and discussion each session to ensure stakeholders have the opportunity to raise critical questions and directly with the Department.

Close

Q&A and thanks.
