Initiative: Aged Care Data and Reporting Review

SHARED:

- Overview of the Aged Care Data and Reporting Review, including:
 - scope to streamline and harmonise provider reporting across government agencies
 - focus on financial/workforce data in Phase 1 and clinical/quality data in Phase 2.
- Key drivers of the review, including:
 - recommendations from the Royal Commission and Aged Care Taskforce
 - feedback from providers on reporting burden
 - alignment with broader data reform initiatives.
- New collaboration activity.

Hot Topic: National Aged Care Data Asset (NACDA)

SHARED:

- Overview of NACDA as a linked data resource for aged care research.
- Current scope, access pathways, and future development plans.

Update: Support at Home (Services Australia)

SHARED:

- Information about ongoing engagement with software developers to support system readiness.
- Information about continued support for both CSV and API integration options.
- Overview of vendor testing.
- Information about one-on-one support post implementation date via the developer portal.

Q&A and close
