

Government Provider Management System – Quick Reference Guide: Finance and Operations Publication Preview

Introduction

Additional information about the finances and operations of residential care and home care providers is now being published on the [My Aged Care website](#).

The information is to provide greater transparency about providers' finances and operations and help older people, their families and carers to make informed decisions about their care and in selecting the right provider.

Providers are able to preview their reported information about their organisation on the Government Provider Management System (GPMS), before it is published on the My Aged Care website.

Please note

-
- **5 – 15 February 2024** – Residential Care and Home Care providers were invited to preview their reported finances and operations data on the Government Provider Management System (GPMS) ahead of publication on the My Aged Care website. .
 - **From 29 February 2024** – Additional provider finances and operations information will be published for the first time on the My Aged Care website: www.myagedcare.gov.au through the *Find a Provider* tool.
 - Data extracted from the Quarterly Financial Report will be updated quarterly. Providers will be advised when the information is available for preview each quarter.
-

Accessing GPMS, Provider Operations Reporting tile and Publication Preview

Finance and Operations: Publication Preview is accessed in the Government Provider Management System (GPMS) portal, through the Provider Operations Reporting tile.

To access the Provider Operations Reporting tile:

1. Log into the [GPMS Portal](#).

For assistance logging in to GPMS refer to the GPMS [Logging in to the Aged Care Systems](#).

2. On the GPMS home page select the **Provider Operations Reporting** tile.

3. On the Provider Operations Reporting home (submission) page select the **Publication Preview** tab on the top right of the page.

Publication Preview →

4. Select the provider organisation and/or its residential or home care service in the left side-bar to preview information.

Please note:

- **Publication Preview is a good opportunity for providers to have a look, and get a feel for how the financial and operational data will be displayed prior to publication on the My Aged Care website.**
 - **It is not mandatory for providers to preview reported data prior to publication on the My Aged Care website.**
 - **Publication Preview also provides an opportunity for providers to prepare for any questions on published financial and operational data from residents, prospective residents and their families.**
 - **Publication Preview is not an opportunity for providers to further amend previously submitted financial and operational data.**
-

The Finance and Operations: Publication Preview on GPMS displays information that will be published on the [My Aged Care website](#) from 29 February 2024 for each of your residential care and home care services that operated during 2022-23. The information on the My Aged Care website will be published under each providers' service in the [Find a Provider](#) tool.

Provider information

For convenience, in the GPMS Publication Preview, the preview information is shown once for the provider, rather than replicated under each service (as will occur in the My Aged Care website).

Data available to preview at the Provider organisation level include:

- **Wages** – source: Quarterly Financial Report
- **Provider finances** – source: Aged Care Financial Report
- **Key personnel** – source: Provider Operations Collection Form
- **Performance report** (compliance) – source: Provider Operations Collection Form
- **Board diversity** – source: Provider Operations Collection Form.
