

Information, Linkages and Capacity Building (ILC) Individual Capacity Building Program Grant Round: Summary of Funded Activities

The Individual Capacity Building program grant round has committed \$105,874,885.99 (GST Incl.) to 105 organisations including 80 Disability People Organisations/Family Organisations (DPO/FO) and 25 Priority Cohort Led Organisations to deliver projects with a duration of up to three years from February 2020. These organisations were selected while the ILC program was under the auspice of the NDIA. ILC has transferred to the Department of Social Services.

The objective of the Individual Capacity Building program grant round is to ensure that people with disability have the skills and confidence to participate in and contribute to the community and protect their rights; feel motivated confident and empowered to act; and to participate in and benefit from the same community activities as everyone else.

Organisation	State (where Organisation is based)	Project Title	ILC Priority Cohort Groups	Primary Disability	Project Description	Total Approved Funding (GST INCL.)	Project Coverage Area
