

Provider Operational Readiness

Priority Actions List

July 2025

This list aims to guide aged care providers on what you need to do before and after 1 November 2025, to implement the new Aged Care Act and Support at Home program. This list consolidates information and guidance that has been (or soon will be) released to support transition and readiness.

We recommend providers consider these actions to prepare for the changes. The approach taken by your organisation may be different to others and individual circumstances should be considered.

Actions to take with your residents and participants

Engage with your residents and/or home care participants

All providers

- Ensure your aged care residents and home care participants are aware of their rights and protections under the new Aged Care Act (including the [Statement of Rights](#), the [new registered supporter role](#) and changes to participant contributions). Share the [Changes to aged care in Australia](#) booklet.

Home care providers

- Engage with Home Care Package (HCP) care recipients to discuss their service agreements (currently referred to as Home Care Agreements under HCP) and their care plans. The Department of Health, Disability and Ageing sent a letter to HCP recipients in early May 2025 outlining transition to the Support at Home program.
 - Share the [Support at Home booklet for older people, families and carers](#) and separate edition for [Aboriginal and Torres Strait Islander peoples](#).
 - Share the [Support at Home fee estimator](#) to help older people understand the new funding arrangements and impact on their contributions.
 - Share the [Support at home letters – Frequently asked questions for older people](#) to help older people about preparing for the new Support at Home program.

Commonwealth Home Support Program (CHSP) Providers

- Confirm all CHSP recipients of government-subsidised services are registered with My Aged Care and have an assessment for CHSP services. Continue to support them to access an assessment by 31 October, read the [CHSP provider fact sheet](#).
 - This includes CHSP recipients aged between 45-49 (Aboriginal and Torres Strait Islander person and experiencing homelessness or at risk of homelessness). These recipients must be registered and assessed before the new Act comes into effect to remain eligible to continue receiving CHSP services from 01 November.

Actions to take for your organisation, people, processes and systems
