		Carer: Client ratio 1:1	Public Holiday	Days	\$4,270.25	\$6,405.38	<p>may include Short Term Accommodation (STA) in a group-based facility. They may also include a period of respite, which aims to support ongoing caring arrangements between clients and their carers. STA/respite allows the opportunity for the client to be supported by someone else whilst providing their carer with short term breaks from their usual caring responsibilities. The support items include all expenses in a 24-hour period including assistance with self-care or community access activities, accommodation, food and negotiated activities. Typically, this type of support would be used for short periods of up to 14 days at a time (exceptions may be made such as for clients entering Voluntary Out of Home Care). For longer-term arrangements, other</p>

Communications & Social Interactions	Specialist Behavioural Intervention Support	N/A	Anytime	Hours	\$232.99	\$349.49	These support items include specialist behavioural intervention support, which is an intensive support for a client, intending to address significantly harmful or persistent behaviours of concern. Behaviour support requires a behaviour support plan to be developed that aims to limit the likelihood of behaviours of concern developing or increasing once identified. This plan outlines the specifically designed positive behavioural support strategies for a client, their family and support persons that will achieve the intended outcome of eliminating or reducing behaviours of concern.
