As discussed this morning, Health has agreed to change from the current product 'TMS-700 Sheet Toilet Rolls (x48)' to the 'ABC Premium 2ply 700 sheets Toilet Paper', due to the degradable qualities of this product.

The new product will be supplied to Health, as soon as the current stock (two and a half pallets) is exhausted, which is estimated at three weeks.

Could you please confirm that s47F will be able to supply Health with the new product at the total of s47G(1)(a) (GST Inc) per carton (x48 rolls???)

The Office Services Team (OST) will review the Contract and advise if a 'Change Order' will be required.

Thank you.
