

Approved providers with an exemption from the 24/7 registered nurse responsibility

In accordance with subsection 54-1A(5) of the *Aged Care Act 1997*, the Secretary (or delegate) is required to make information publicly available about an exemption, if a decision is made to grant an approved provider an exemption from the 24/7 registered nurse (RN) responsibility at a residential facility.

As a condition of an exemption, providers must:

- notify the department in writing to exemptions@health.gov.au of any material changes to the information provided in the application for the exemption, including any additional information the delegate has requested.
- tell care recipients in the facility about the exemption, the period of exemption, and alternative arrangements in place.

See [Exemption from the 24/7 registered nurse responsibility for aged care](#) for more information about exemptions.
