# New Aged Care Act: Provider Digital Readiness Checklist

August 2025

[health.gov.au/our-work/aged-care-reforms](https://health.gov.au/our-work/aged-care-reforms)

Version 2.1

## Version history

- Version 2.0 - August 2025
- Updated digital readiness activities to align with commencement of the new Aged Care Act from 1 November 2025
- Reformatted for accessibility, improved design and readability
- Aligned with Provider Operational Readiness - Priority Actions List
- Aligned to new Aged Care Act resources to support providers

Item numbering may have changed since Version 1.0, as new actions have been added and others removed. This document is subject to change.

## Getting ready for the new Aged Care Act

This **Provider Digital Readiness Checklist** aims to support aged care providers to prepare for the digital and data changes required for the start of the new *Aged Care Act 2024* to from 1 November 2025.

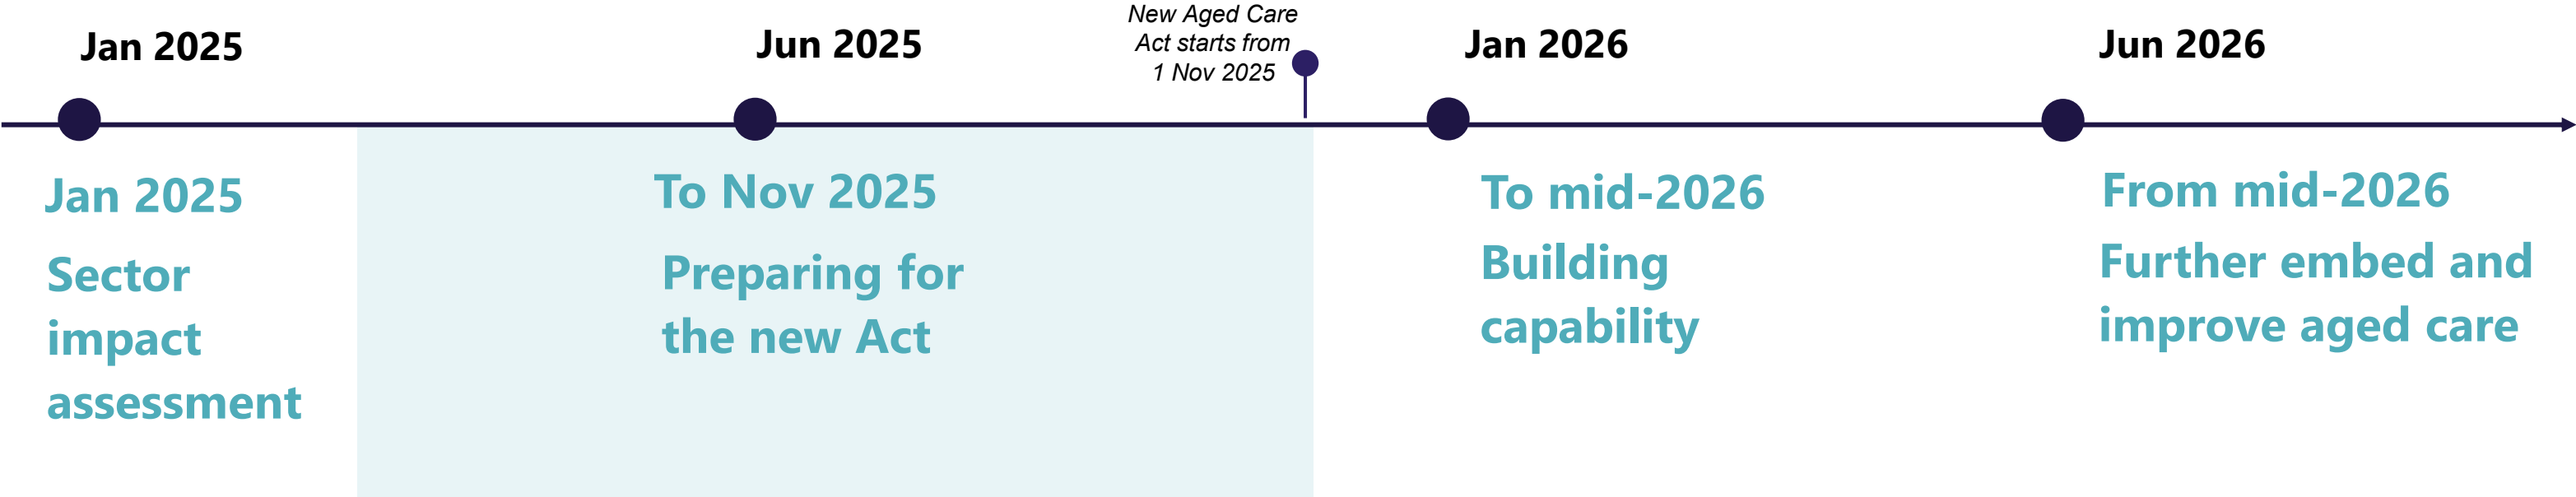

It includes key dates to help providers through the transition and support digital readiness.

Providers should also refer to the [Provider Operational Readiness – Priority Actions List](#) for guidance on what you need to do before and after 1 November 2025, to implement the new Act and Support at Home program more broadly.

# Context to the Digital Readiness Checklist

This checklist covers digital readiness activities for providers in the lead up to 1 November 2025. The activities covered will help providers to achieve mission critical changes relating to digital readiness.

# Provider digital readiness

## As a provider of aged care services under the Act...

...there are things that are critical for myself and my organisation to continue operations **from the commencement of the new Aged Care Act on 1 November 2025.**

...focusing on these actions will ensure continuity of service, operations, payments and compliance.

## I CAN...

- ✓ **Understand the principles of the Act**, and what I (and my workforce) need to be compliant, including reporting obligations.
- ✓ Review and update my **services and registration categories according to the new service list**, and receive my certificate as a registered provider for these service categories.
- ✓ Review and update my **organisation information, outlets, services and pricing in government systems**, and set up and train my workforce to use these portals so new participants can find me.
- ✓ Update **funding and payment processes and information** so that I can make claims and get paid promptly.
- ✓ Update my **business processes, training and IT systems** to reflect changes to services, standards, reporting and compliance.
- ✓ **Communicate with my existing participants** and ensure they're ready for the change, having signed new service agreements (where applicable).
- ✓ Work with my **partner eco-system** to ensure joint readiness for the new operating arrangements.

#	Action	Context	Where to go for support
1	Advise your <a href="#">Local Network</a> of service transfers/ combines/ openings to support deeming accuracy.	Service transfers, combines and openings are managed by your Local Network office therefore it is important that you engage with them if this applies to you. Where required (e.g. closure of a service ID) Services Australia may perform a financial reconciliation.	<ul style="list-style-type: none"><li><a href="#">Local Network contacts</a></li><li><a href="#">Residential applications</a> need to be finalised prior to the GPMS outage period.</li></ul>
2	Submit any material changes and key personnel changes which may impact deeming (e.g. provider transfers) through the <a href="#">Manage Your Organisation</a> tile in GPMS.	Existing Approved Providers should advise any changes to an organisation’s details (including business address) and key personnel changes by completing and submitting a notification through the Manage Your Organisation tile in GPMS. The only exception to this is ending or changing a key personnel record linked to an individual service - you will find a specific form for this on the Commission's website. Once processed, updates will be reflected in GPMS. Outcomes of these changes may impact your deeming outcome.	<ul style="list-style-type: none"><li><a href="#">Notification form guide</a></li><li><a href="#">Managing your organisation</a></li></ul>
3	Review deeming information and registration categories.	Providers received a preview of the registration category from April 2025 (Provider Registration Preview). Providers were given the opportunity to review the deeming outcome and if required you can contact the department about the outcome. The deeming process will transition providers to the new registration categories. Check your organisation’s information is correct in GPMS if you have access, or through your Funding Arrangement Manager, for your services, locations and key personnel contact details.	<ul style="list-style-type: none"><li><a href="#">Learn more about the deeming process.</a></li><li>For registration preview or deeming enquiries, please email <a href="mailto:AgedCareRegModel@health.gov.au">AgedCareRegModel@health.gov.au</a></li></ul>
4	Review the <a href="#">Guide to Digital Changes for Providers</a> and stay on top of updates.	The GPMS guide to digital changes for providers outlines the key digital changes that you may experience in the lead up to the implementation of the new Act on 1 November 2025. It provides information for you to anticipate and prepare for changes. An updated version of the Guide (to prepare for 1 November 2025) will be available by the end of August 2025.	<ul style="list-style-type: none"><li><a href="#">Guide to Digital Changes for Providers.</a></li></ul>
5	Review the <a href="#">Support at Home Provider Transition Guide</a> to prepare for Support at Home.	This guide provides guidance on the actions existing Home Care Package (HCP) program and Short-Term Restorative Care (STRC) programme providers should take to be digitally and operationally ready to transition to the Support at Home program.	<ul style="list-style-type: none"><li><a href="#">Support at Home Provider Transition Guide</a></li></ul>
6	Review documentation on the <a href="#">claiming process</a> to understand additional data and information sharing requirements for receiving payments.	The Support at Home Business Rules provides business guidance on claims and payments for providers who will be operating under Support at Home from 1 November 2025. Consider what changes are required to your ICT systems to support this.	<ul style="list-style-type: none"><li><a href="#">Support at Home: Claims and Payments Business Rules Guidance</a></li></ul>
7	Maintain provider information (contact details, user roles) within GPMS via the <a href="#">Manage Your Organisation</a> tile.	Providers can manage their organisation details, including key personnel, contacts and user roles, in GPMS via the <a href="#">Manage Your Organisation tile</a> in GPMS. As a provider, you should continue to ensure your organisation details are kept up to date.	<ul style="list-style-type: none"><li>Log in to <a href="#">GPMS</a> and go through the <a href="#">Manage Your Organisation</a> tile</li><li>Guidance is also available in the <a href="#">GPMS User Guide: Maintenance and Services</a></li></ul>
8	Engage your IT providers to prepare your ICT systems.	To support these conversations, the GPMS Conceptual Data Model is available on the department's website. It provides detailed technical information and describes the key entities and their relationships underpinning the changes under the new Act.	<ul style="list-style-type: none"><li><a href="#">GPMS conceptual data model and its associated business glossary</a></li></ul>
9	Providers need to review their Organisation Administrator details in <a href="#">GPMS</a> and the <a href="#">My Aged Care Service and Support Portal</a> . CHSP/ NATSIFACP providers need to provide details of a staff member to be an Organisation Administrator with access to GPMS from 3 November 2025.	Where you do not already have at least one active user within GPMS, the department has reached out asking for an Organisation Administrator to be nominated. This user will be granted access to GPMS on 3 November 2025 and can then set up additional users.	<ul style="list-style-type: none"><li>All questions should be directed to <a href="mailto:GPMS.project@health.gov.au">GPMS.project@health.gov.au</a></li><li>Review Organisation Administrator details through the <a href="#">My Aged Care Service and Support Portal</a></li></ul>

29	Implement operational and digital changes to support the commencement of the new Act.	<p>From the commencement of the new Act, Registered Providers will be required to report against their registration details and related business structures as approved under the new Act through the appropriate reporting channels.</p> <p>From 3 November 2025, all Registered Providers will have access to GPMS, which will be used to maintain organisational and personnel information and complete mandatory reporting obligations under the new Act.</p>	<ul style="list-style-type: none"><li><a href="#">Aged care provider reporting</a></li><li><a href="#">Provider Operational Readiness – Priority Actions List</a> to guide aged care providers on what to do before and after 1 November 2025, to implement the new Aged Care Act and Support at Home program</li><li>GPMS support material will continue to be updated and made available through the <a href="#">GPMS Resources</a> page</li></ul>
30	Update service information in <a href="#">the My Aged Care Service and Support Portal</a> . Verify and update the services you are delivering, update pricing for the services you deliver and revalidate the service delivery.	<p>3-7 November 2025: Verify and update the services you are delivering. This will include removing services that are not included in the Support at Home service list.</p> <p>You will also need to update pricing for the services you deliver and revalidate that your service delivery area is accurate.</p> <p>If the services you are providing within a registration category change (removal or addition of a service type within a registration category) from 1 November 2025, you will need to notify the Aged Care Quality and Safety Commission of a Change in circumstance. If you are removing all service types in a category, you will need to submit an Application for variation form to the Commission to remove the registration category.</p>	<ul style="list-style-type: none"><li>Verify and update service details through the <a href="#">My Aged Care Service and Support Portal</a>, noting that for Support at Home, outlets will be created and available for you to edit from 3 November 2025, existing home care information will be used as the basis on most data points</li><li>Read updated user guides for outlet set up in My Aged Care Service and Support Portal (to be published on 3 November 2025)</li><li><a href="#">Support at Home care partner guidance</a></li><li><a href="#">Draft Change in circumstance notification form</a> (draft, for viewing only until 1 November 2025)</li><li><a href="#">Draft Application for variation form</a> (draft, for viewing only until 1 November 2025)</li></ul>
31	Engage with HCP care recipients to discuss their care plans and service agreements (currently known as Home Care Agreements).	Providers need to connect with existing HCP recipients to review and discuss their Support at Home care plan. Providers need to create new service agreements (currently referred to as Home Care Agreements under HCP) reflecting changes to services and pricing.
