1. Terms of Use

1.1. Welcome to the Government Provider Management System (the **Portal**). As a condition of Your use of the Portal, You must agree to these Terms of Use. These Terms of Use apply in relation to the use of either the Government Provider Management System Approved Provider Portal or Registered Provider Portal.

1.2. In these Terms of Use:

- a. the terms **You** and **Your** refer to the individual user of the Portal (being either an Organisation Administrator or a General User for Your Provider, or both), and where applicable, also includes a reference to Your Provider.

 - Your login credentials for the VANguard FAS if the email address used as part of those credentials matches the email address that is associated with Your Profile (i.e. the Profile for which You wish to use the VANguard FAS).
- c. **ACQSC Act** means the *Aged Care Quality and Safety Commission Act 2018* (Cth).
 - d. **Aged Care Act** means the *Aged Care Act 2024* (Cth).

 - f. **Commission** means the Aged Care Quality and Safety Commission ABN 80 246 994 451.
 - g. **Commonwealth** means the Commonwealth of Australia as represented by the Department of Health, Disability and Ageing, or such other agency that

has the responsibility for administering, or assisting with administering, the Portal from time to time.

- h. **Department** means the Department of Health, Disability and Ageing ABN 83 605 426 759.
- i. **General User**, for a Provider, means any individual user of the Portal whose Profile has been assigned 'star ratings reviewer' permissions for that Provider.
- j. **Intellectual Property Rights** include:
 - i. all copyright (including rights in relation to phonograms and broadcasts);
 - ii. all rights in relation to inventions, plant varieties, trademarks (including service marks), designs and circuit layouts; and

- p. **Portal** means the electronic platform administered by the Commonwealth on which Providers may view and manage their information and, if applicable, the aged care services they deliver, being the Government Provider Management System Approved Provider Portal and/or the Registered Provider Portal.
- q. **Privacy Act** means the *Privacy Act 1988* (Cth).

- v. **Your Provider** means:

 - ii. if You have one or more Multi-Provider Profiles and no Single-Provider Profiles – then each Provider that You select using the 'account switcher' function in the Portal during a given login session for the Portal (but only so long as that Provider is so selected);
 - iii. if You have one or more Single-Provider Profiles and one or more Multi-Provider Profiles and:
 - A. You log in to the Portal using a Single-Provider Profile – then for that login session, the Provider determined in accordance with clause 1.2.v.i of these Terms of Use; or
 - B. You log in to the Portal using a Multi-Provider Profile – then for that login session, the Provider determined in accordance with clause 1.2.v.ii of these Terms of Use.

Examples:

- You have one Profile which is associated with Provider A and Provider B. You log in to the Portal and select Provider A. Upon being selected, Provider A becomes Your Provider for that login session under clause 1.2.v.ii of these Terms of Use. You then (during the same login session) deselect Provider A and select Provider B. The effect of this is that Provider A ceases to be Your Provider for that login session (upon being deselected) and that Provider B becomes Your Provider for that session (upon being selected).
- You have two Profiles, one that is associated with Provider A and another that is associated with Provider B. You log in to the Portal using the Profile that is associated with Provider A. Provider A is therefore Your Provider for that login session under clause 1.2.v.i of these Terms of Use. You then log out of the Portal and later log in using the Profile that is associated with Provider B. Provider B is therefore Your Provider for that later login session.
