Bulk Billing Practice

Our Medicare Bulk Billing Practice bulk bills eligible GP services, including:

- GP consultations
- Chronic condition management plans and reviews
- Mental health treatment plans
- Health assessments.

Fees may apply for non-eligible services, including:

- Procedures like skin excisions
- Diagnostic services like ECG and pathology
- Allied health and other non-GP services
- Non-MBS services
- Patients without a Medicare number.

For more information, please ask your practice staff.
