

Australian Technical Advisory Group on Immunisation (ATAGI)

Summary of the 115th meeting, 17 September 2025

Influenza

- ATAGI noted that [New South Wales](#) and [Queensland](#) are planning to implement a free immunisation program for nasal spray influenza vaccine FluMist for all children aged 2, 3 and 4 years, with programs commencing in time for the 2026 influenza season.

PBAC advice

- ATAGI reviewed and discussed its advice to the Pharmaceutical Benefits Advisory Committee (PBAC) and related guidance for vaccine evaluation groups for upcoming immunisation products.

Resources

- ATAGI's membership, terms of reference and declaration of interest information is available on the [Department of Health, Disability and Ageing website](#).
